

**Ibaraki Prefectural Government will organize the “One-Day Ibaraki Fun Tour”  
for the first time for “expats” living in the metropolitan area  
~One-day bus tour around Ibaraki's tourist spots and culinary attractions~**

To increase the flow of foreign tourists to the prefecture, the Ibaraki Prefectural Government is promoting Ibaraki's attractions to diplomats from embassies who live in the Tokyo metropolitan area and expatriates who conduct business globally. Ibaraki will hold a monitor tour for expats to experience Ibaraki's attractive sightseeing spots and food. The tour aims to improve the recognition and image of Ibaraki Prefecture among expats living in the metropolitan area and promote inbound tourism by disseminating information through the SNS of participating expats.
